

September 26, 2012 Announcement: Seeking Medical Officer for the AHRQ Quality Indicators™

Seeking Medical Officer for the AHRQ Quality Indicators™

AHRQ is seeking a Medical Officer to serve as a clinical expert on AHRQ's Quality Indicators program. The Incumbent will lead national initiatives to facilitate the use and improvement of the QI and provide advanced clinical technical consulting in applying QI to assess and improve healthcare organization performance for all Americans. He or she will provide clinical consultation to several critical QI efforts including the conversion of the QI from International Classification of Diseases (ICD), 9th Revision to a 10th Revision coding system, the development and refinements of efficiency measures, the enhancement/refinement of QI using Present on Admission (POA) and lab value data elements. This position, a GS 14 Medical Officer, closes October 24, and is posted in USA Jobs: <https://www.usajobs.gov/GetJob/ViewDetails/326385900>.
