## **MapIT Software Installation and Setup**

## **Minimum System Requirements:**

- **OS:** Microsoft Windows 7 Enterprise (or later)
- **Physical Memory:** 8.0 GB (4.0 GB available)
- Disk Space: 133 MB
- **System Type:** Tested on 64-bit OS and Intel® Xeon® CPU @ 2.67 GHz (software compiled as 32-bit (x86) compatible, but not tested on 32-bit OS or chipset)
- User Access Privileges: Admin rights or at least read/write/execute with ability to install
- Software and Services: Microsoft® .Net Framework 4.0 or later

## **Installation and Setup Instructions**

- 1. Download the Windows Installer package AHRQ\_MapIT\_2015\_Installer.msi to your desktop. Right-click the installer package and select "Install".
- 2. Select "Next" at the Setup Wizard dialog screen:

3. Because the MapIT software is a 32-bit program, it will attempt to install in C:\Program Files (x86)\Battelle\AHRQ\_MapIT\_2015\. Choose another directory if this is not desired, ensure that the "Everyone" option is selected and click "Next".

员 AHRQ_MapIT_2015	
Select Installation Folder	
The installer will install AHRQ_MapIT_2015 to the following folder.	
To install in this folder, click "Next". To install to a different folder, enter it below or	click "Browse".
Eolder: C:\Program Files (x86)\Battelle\AHRQ_MapIT_2015\	Browse Disk Cost
Install AHRQ_MapIT_2015 for yourself, or for anyone who uses this computer:	
Everyone Just me	
Cancel < Back	Next >

4. At the Confirm Installation screen, select next.

HRQ_MapIT_2015	
Confirm Installation	
The installer is ready to install AHRQ_MapIT_2015 on your computer.	
Click "Next" to start the installation.	
Cancel < Back	Next >

Installing AHRQ_MapIT_	2015		
AHRQ_MapIT_2015 is being installed.			
Please wait			
	Cancel	K Back	Next >

6. A User Account Control dialog may appear asking you if you want to run the program even though it is from an unsigned publisher. Select "Yes".

7. If the installation was successful, the Installation Complete screen will appear and indicate that the software was successfully installed. Click "Close" to exit the Setup Wizard.

AHRQ_MapIT_2015	83
Installation Complete	
AHRQ_MapIT_2015 has been successfully installed.	
Click "Close" to exit.	
Please use Windows Update to check for any critical updates to the .NET Framework.	
Cancel < Back Close	

8. An icon will be added to your computer's programs list under the Start Menu that can be used to start the application.

Alternatively, you can navigate to the installation directory that was specified during installation and setup, and double-click on the executable called Ahrq.Mapped.Ui. If you chose the default installation directory, the path will be C:\Program Files (x86)\Battelle\AHRQ\_MapIT\_2015
